#SMTREASURE

SMALL TOWNS, BRIGHT FUTURES

Annual Report 2020–2021

FOR 30 YEARS...

...the South Madison Community Foundation has been your neighbor and partner, lending a hand and offering encouragement to our nonprofit organizations, our students, and our grassroots community leaders who roll up their sleeves and invest in the community life they hold dear.

For 30 years... the Foundation has been a cornerstone of civic life in our small towns, investing in a brighter future for the people and places of South Madison County. Let's take a moment at the end of this anniversary year to take a look back, a look ahead, and a look around at some of the treasures of our small towns.

#SMTREASURE

#SMTREASURE

1991

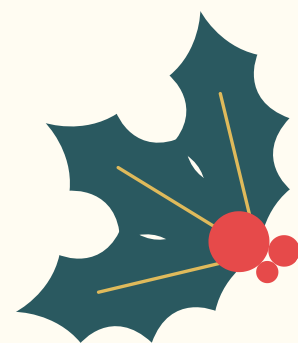

Community organizers introduce the concept of a Community Foundation and raise enough capital to earn a Lilly Endowment matching grant to found the brand new South Madison Community Foundation.

2021

Assets of \$12,972,169 under investment produce annual income for grants and scholarships. This year alone, \$539,807 was invested in good causes close to home. Grant recipients include schools, churches, parks, public safety organizations, individual students, and more! Foundation staff offer financial and technical support for multiple projects recognized during Pendleton's bicentennial celebration.

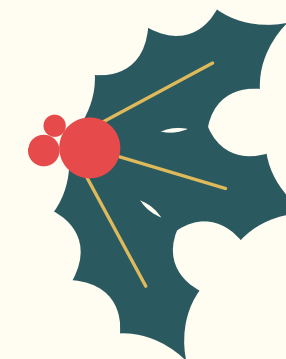

NEXT

Foundation assets are invested for perpetuity, meaning grant support is here today, tomorrow, and forever! We may not know what the future will hold, but we know the Foundation will be prepared to meet the demands of each new day. In 2022, Foundation projects will focus on building new *connections between our neighbors* and *capacity in our organizations*.

2020-2021
